INVITATION

To meet the expectations of the scientific community of Panel Discussion Meetings of the Polish Academy of Sciences, Lublin Branch and CINE Lublin we invite you to participate in:
International Invention and Technology Exhibition INNO WINGS 2021.

During the exhibition on 14th October 2021, the following categories of inventions will be awarded:

- quality food
- material technologies, production and logistics processes
- green economy
- healthy society
- digital society

International Jury of the **INNO WINGS 2021** will award special prizes and the Grand Prix of the exhibition.

Due to possible epidemic restrictions, the Exhibition will be run as a hybrid presentation.

Simultaneously with the event taking place in Lublin, all innovations submitted to the Event will be presented at the INNO WINGS website, along with a short multimedia material presenting the essence of the invention or the idea of the innovative technology.

In addition to the Jury awarding prizes in the competition, a prize in each category will also be awarded by the participants of the PSD 2021 Conference via online voting.

Submissions of the video presentation (recording time up to 3-5 minutes in the .mp4 format) and poster in the jpg or pdf format A1 size, should be submitted to:

contact@innowings.pl
